**OPENING MESSAGE FROM THE EXECUTIVE COMMITTEE**

The Executive Committee would like to welcome all the athletes and parents taking part in Belmont Little Athletics Centre's 45<sup>th</sup> season. If you are new to athletics, this book contains plenty of useful information about Little Athletics. If you can't find the information you are looking for in this book then please ask your Club Manager.

Little Athletics is about family, fun, fitness and doing your best. We have boys and girls of all ages and sporting abilities at our centre, and by accepting these values we can all support the young athletes of the Centre celebrate their success and encourage them to achieve their personal goals. One of the most rewarding sights is the way athletes respond as they are cheered and encouraged down the finishing straight. It is a great reminder of why we are all here. At the same time we have a duty to coach and develop the athletes so that when they go to state events they understand the rules of the sport. These rules are backed up with the codes of conduct for athletes and parents published in this book. Please take the time to read and understand them.

The volunteer officials and assistants running the sites each week make our sport possible. They don't always have an easy role, however they are in the best position to make decisions and do so to the best of their ability. They deserve our respect and support. We encourage interested people to consider becoming an official, it is a great way to be close to the action, and without officials there is no Centre.

We would like to encourage everybody at Belmont to be their best, respect the people and property of the Centre and be conscious of promoting the enjoyment of Little Athletics for everyone. There are many ways to help, signing on to the site roster promptly to get the events going early, cleaning your club area at the end of the day, helping with your club fundraising, or sitting your Level D or C exams and becoming an official yourself. It is all the little things that add up to make the Belmont Centre a pleasant place to be over summer.

Welcome back to Belmont Little Athletics, or welcome for the first time. We wish everyone a successful and enjoyable season.

BLAC Executive Committee.

### **LITTLE ATHLETICS IN AUSTRALIA**

Nationally the Little Athletics governing body is Australian Little Athletics (ALA). ALA comprises of a Board of Management elected from nominations submitted by the State Associations. ALA is responsible for establishing national policies and sponsorship of the sport.

West Australian Little Athletics (WALA) is the State Association and is managed by a Board of Management elected by the affiliated Little Athletics Centres. WALA responsibilities include organising State events and Championships, obtaining sponsorship and government support, providing administrative support for affiliated Centres as well as education and assistance for coaches and officials.

The Centres, such as Belmont Little Athletics Centre (BLAC), organise weekly competitions for athletes in their geographical area. Volunteer Executive Committee members are elected at an AGM by members of the affiliated Clubs to manage the Centre. Centres are grouped into regional Zones and compete annually at an Inter-centre competition (called Zones) which is organised by a Zone Committee elected by the Centres within each Zone. Through this competition athletes qualify to compete at the State Track & Field Championships.

Clubs affiliate with their local Centre and organise training sessions for the athletes registered with them as well as keep the athletes informed of upcoming events. The Clubs meet weekly to compete at the Centre in programmed track and field competition. The Club Committees are volunteer parents who are elected by the members from within their Club.

More information can be obtained by visiting the Belmont Little Athletics Centre website at [www.blac.asn.au](http://www.blac.asn.au) or the WALA website at [www.walittleathletics.com.au](http://www.walittleathletics.com.au)

- Only conduct events that ensure the safety of athletes and officials is protected at all times.
- Where possible reschedule cancelled events to a later date.
- To make available on the day of a modified program an attendance sheet, that will indicate athletes participation on the day whilst not disadvantaging them in their qualification for Centre Championships, State Championships and the allocation of Club Championship Awards (1 point for all attending athletes) etc. in cancelled events.

### **HEALTH & INJURY**

During a Little Athletics competition athletes should always be in possession of a hat, wear a shirt to cover their shoulders when not competing, use an effective sun screen, and frequently drink plenty of fluids in small quantities, preferably water. Take special care of children in the hot summer sun.

If an athlete is sick or injured, experiencing pain or swelling, **do not allow them to compete**. If an athlete is unable to compete parents should provide their Club Manager with a medical certificate, which will prevent the child being disadvantaged during qualification for Centre Championships.

The immediate treatment for a soft tissue injury is **R.I.C.E.**

<b>R</b>	<b>est</b>
<b>I</b>	<b>ce</b>
<b>C</b>	<b>ompression</b>
<b>E</b>	<b>levation</b>

If you have any doubts about the injury whatsoever, a doctor's advice should be sought immediately.

If an athlete falls during an event, do not pick them up until the cause of the injury has been determined. In particular, do not move any athlete who is experiencing back pain or numbness in the limbs. All injuries sustained at any Little Athletics Venue, either in training or competition must be reported to your Club Manager immediately.

### **FIRST AID POLICY**

- The First Aid Officer must hold a current Senior First Aid Certificate, a copy of which must be held at the Centre.
- The First Aid Officer has the final decision on treatment of injured athletes.
- Where possible, a parent or guardian must be present when a child requires first aid treatment.
- If a parent overrides the First Aid Officer, the parent is then responsible for removing the athlete to a doctor straight away.
- Serious injuries (eg: being impaled by a javelin, hit on the head by an implement, leg or back injury) are to be treated on site until the ambulance arrives. Athletes should not be moved.
- Parents are to be advised by the First Aid Officer that all injuries requiring more than a simple dressing are to be seen by their own doctor.
- All injuries must be reported to the Centre First Aid Officer so that they can be documented. Failure to report an injury may mean that an athlete, parent or Official is not covered by insurance.
- First Aid is for injuries sustained by athletes and parents during competition only. The First Aid Officer will not tape limbs or joints so that athletes can compete.

**If you are injured – PLEASE DO NOT COMPETE.**

Athletes in the U7 to U9 age groups only will compete for medals at this event and will not progress through to the State Track & Field Championships.

Belmont is in Zone 2 with the Gosnells, Melville and Southern Districts Centres. There are no selection criteria for Zones and BLAC encourages all athletes to compete. Many season personal bests are attained at Zones and it is a fantastic experience to compete against athletes from other centres at the culmination of the season. All clubs will be notified of the closing date for entries to Zones and States when they become available.

### **STATE TRACK & FIELD CHAMPIONSHIPS SATURDAY 21<sup>st</sup> MARCH – SUNDAY 22<sup>nd</sup> MARCH 2015**

**U/13 LITTLE ATHLETICS NATIONAL CHAMPIONSHIPS  
& U/15 MULTI EVENT NATIONAL CHAMPIONSHIPS**

The WA Little Athletics Association selects the State Team of twenty-two U/13 athletes from the finalists of the State Track & Field Championships. Two U/15 Boys and two U/15 Girls are selected from the State Multi Event Championships and accompany the team to represent the state in the National Multi Event Championships.

**U/14 & U/15 INTERNATIONAL CHAMPIONSHIPS**

Team members must have won a gold, silver or bronze medal at the previous Track and Field, Multi Event, Cross Country or Road Walking Championships to be eligible for selection. Competition is held in either Singapore or Malaysia each year.

Held on alternating weekends, these events are open to all athletes U/7 and upwards, registered for the current season.

Competing athletes are required to wear Belmont Little Athletics Centre uniform. Athletes must compete in at least 5 events to be eligible for Winter Championships. Any further information can be obtained from the Winter Competition Officer. The winter season runs from April through to August. Please note that the U/6's do not compete in the State Winter Championships.

## EVENT RULES AND SPECIFICATIONS

### EVENT RULES

Although not always the case, event rules generally follow the IAAF rules, which are laid down in the IAAF Handbook. These rules may have been modified either for Little Athletics generally, or for local Centre competition. If in doubt you should consult your Club Manager, who can query the Arena Manager. The Arena Manager's decision in any dispute regarding the rules is final. The following notes give the major rules for each event - they may not cover all situations.

### FIELD SITES

The **KEY SITE OFFICIAL** is responsible for ensuring that the correct equipment is on that site, and that shade tents, if required, are erected prior to the commencement of the program. The **Centre Record** is to be marked out prior to the commencement of each event. After completion of competition for that site officials are to assist by dismantling shade tents and ensuring that the equipment is ready to be returned to the equipment shed.

### SCISSOR-KICK:

The U/9, U/10 & U/11 Age Groups must do the Scissors-Kick action, no other technique is allowed until older. The Scissor Kick style is defined as one where:

- The head of the competitor does not go over the bar before the leading foot (the foot closest to the bar at take-off):
- The head is not below the buttocks in clearing the bar:
- The athlete's lead foot touches the mat before any other part of the body:

### RECORDING:

For recording purposes, an **O** indicates the bar has been cleared, an **X** indicates a failure, and a **-** indicates the athlete did not jump.

**INSTRUCTIONS TO COMPETITORS: -**

- Starting height is given, plus increments to be used during competition.
- May commence jumping at a height three (3) increments below their registered Personal Best height.
- May pass on any height or any jump.
- Markers may be used as long as they are safe (i.e. flat) and they do not interfere with another athlete's run-up.
- An attempt must be completed within 60 seconds.
- Each competitor is allowed three attempts at each height, but is out of the competition after three consecutive failures are recorded regardless of height.

**A FOUL WILL BE RECORDED:**

- If the athlete touches the landing area beyond the plane of the uprights without jumping. Note: the plane extends two metres either side of the uprights.
- If the athlete dislodges the bar.
- If the athlete takes off from two feet.
- If a competitor, in jumping, touches but does not dislodge the cross bar, the judge should not pass the jump until he is satisfied that the bar will not fall from the supports. If the bar does fall and the judge is satisfied that an outside influence such as a gust of wind did not cause the displacement then it shall be recorded as a failure no matter what time has elapsed since the bar was touched.  
**Note:** On windy days the bar may be held in position by officials, but support must be removed when the athlete takes off to allow displacement. It is also helpful to set up the high jump side on to the oncoming wind.

When one competitor is left, he/she may choose their own increments. He/she may be allowed to continue until he/she has recorded three failures and the last height cleared be recorded as the winning height.

**TIE - BREAKING RULES:**

- The competitor with the lowest number of jumps at which the tie occurs shall be awarded the higher place.
- If the tie still remains, the competitor with the lowest number of failures throughout the competition up to and including the height last cleared shall be awarded the higher place.
- If the tie still remains and concerns first place, the competitors tying should have one more jump at the height at which they failed, and if no decision is reached, the bar shall be lowered or raised to heights which shall be announced before the commencement of the competition. They shall have one jump at each height until the tie is decided. Competitors so tying must jump on each occasion.

**LONG JUMP AND TRIPLE JUMP  
COMMON RULES**

**TAKE-OFF:**

- **METRE SQUARE, UNDER 6 - UNDER 9 AGE GROUPS: (LONG JUMP ONLY)** The take-off in the Under 6 to Under 9 age groups is made from the area of a "Metre Square". The Metre Square should be placed so that the front end is 50cm from the Pit. The Square should be made as flush to the run-up as possible and fixed so that it does not shift when the competitors jump from it.
- **½ METRE MAT:** The take-off in the under 10 - Under 12 age groups is made from the area of a "1/2 Metre Mat".
- **TAKE-OFF BOARD, UNDER 13 - 17 AGE GROUPS:** This group do not use the metre square but a 200mm wide and 1 metre long take-off board. The take-off board shall be not less than one metre from the edge of the landing area.

**RUN-UP:**

The run-up can be of unlimited length, but should be restricted to avoid wasting time.

**MARKERS:**

Markers are not permitted on the runway, but can be used at the side.

**RULES:**

A foul may be recorded if;

- Any part of the competitor's take-off toe protrudes over the front line or side edge of the metre-square or board.
- After completing a jump the athlete walks back through the pit.
- In the course of landing the competitor touches the ground outside the landing area nearer to the take-off point than the nearest break in the landing area made by the jump.
- The attempt is not completed within 60 seconds.
- Any type of somersaulting is used.
- A two-footed take off is attempted.

**MEASUREMENT:**

- Measurements are made to the nearest cm below the metre square.
- The jump is measured from the break in the sand nearest to the take-off point (regardless of what part of the athlete's body made the mark) to the point of imprint of the athlete's take-off foot nearest to the landing point. A steel spike marks the landing point and the zero end of the tape is held at this break in the sand, the tape should be held horizontally from the level of the take-off point and pulled taut.
- If the athlete takes off before the metre square, then the jump shall be measured from the break in sand to the back edge of the metre square.

**TAKE-OFF BOARD:**

- All jumps shall be measured from the nearest break in the landing area made by any part of the body or limbs to the "take-off line" and at right angles to such line.
- If a competitor takes off before reaching the "take-off board" the jump is measured to the take-off line and at right angles to such line.
- The "take-off line" is the edge of the take-off board nearest the landing area.

**TIES:**

Ties are decided by referring to the next best jump of the competitors trying.

### TRIPLE JUMP - (ONLY)

#### TAKE-OFF MAT / BOARD PLACEMENT:

The take-off mat/board shall be placed at a distance from the landing pit whereby each athlete can land safely approximately 1 metre within the pit. Placement of the mat shall be in whole metres from the edge of the landing pit to the edge of the mat closest to the landing pit. The mat may be moved in 1m increments only – not half metres.

#### RULES:

**The Triple Jump must comply with the following definition:**

**HOP** shall be made so that the competitor shall first land upon the same foot with which he shall have taken off, in the **STEP** he shall land on the other foot, from which consequently the **JUMP** is performed.

**A foul Triple Jump will be recorded if:**

- Any of the infringements listed for Long Jump occur
- The competitor fails to land in the pit, (landing on the run-up constitutes a foul).

## THROWING EVENTS COMMON RULES

### METHOD OF MEASUREMENT:

- To be valid a throw or put, the implement must fall completely within the inner edge of lines marking the sector.
- Measurements are made with the zero end of the tape at the nearest mark made (or point of contact) made by the head of the implement (javelin, discus or shot put)
- Measurements are made to the nearest centimetre below.
- Records will be ratified when existing records are bettered by 2cm or more

<b>U16, 17</b>	700g		

### Common Javelin and Turbo Rules

### TO BE A VALID THROW & MEASURED:

- A competitor may not cross either of the parallel lines of the runway, or the arc line, in throwing.
- After throwing, the competitor may leave the centre runway to either side provided that he/she does not cross the arc of the throwing sector. N.B. the athlete must not leave the runway until the javelin has touched the ground.
- If the javelin/turbo lands in the sector, then skids outside the sector, it is a good throw and is measured from the first point of contact.
- At no time after preparing to throw until the javelin has been discharged into the air, may the competitor turn completely round, so that his/her back is towards the throwing arc.
- The Javelin/Turbo must be held at the grip. It shall be thrown over the upper part of the throwing arm and must not be slung or hurled. Non-orthodox styles are not permitted.
- A fair throw is made when the tip of the metal head (rubber point for turbo) strikes the ground, within the sector, before any other part of the Javelin. **NB:** The javelin or turbo does not have to stick into the ground or leave a mark.

## TURBO JAVELIN

Boys & Girls; Under 6, 7, 8 & 9:

### SPECIAL TIPS:

- The Turbo Javelin should be held at head height and parallel to the ground. It should be directly beside your eye, just above your ear. Bring the javelin back while keeping the point facing forward as well as being level. Your opposite arm should be pointing in the direction that you intend to throw
- Your next step is to throw the javelin. The javelin must be thrown from over the top of your shoulder, not from the side of your body.
- Your best throws, technically will be when it is thrown easy and not hard.
- You will obtain longer distances if you do not throw the javelin too high. Try to throw it at an angle which would parallel with 20 degrees, or just above the horizon.
- When throwing in a competition where you have a sector, try to throw 2 metres before the line, so you have room to follow through.

**DISCUS AND SHOT PUT**  
**Common Rules**

**TO BE A VALID THROW & MEASURED:**

- The throw must be commenced from a stationary position.
- The athlete may enter the circle from any direction, but must leave from the rear half.
- The athlete must not leave the circle until the implement has landed.
- The athlete must leave the circle from a standing stationary position.
- The athlete must not touch the circle or the ground outside the circle during the throw (or the top of the stop board for shot put)
- The implement must not be improperly released (e.g. dropped) during a trial.
- The attempt must be completed within one minute.

**TO BE A VALID SHOT PUT THROW & MEASURED:**

In addition to the common rules

- The Shot must be held in one hand close to the chin when the athlete takes their stance to commence the trial and proximity maintained during the trial (approx 25mm - 1").
- The Shot must not be brought from behind the line of the shoulders.

**GENERAL NOTE**

No athlete may commence any trial, in any event, until the official has given permission to do so. Safety rules must be observed at all times.

**TIE-BREAKING RULES**

In Field Events where the result is determined by distance, the second best performance of the competitors tying shall resolve the tie, then (if necessary) the third best and so on.

**RACE WALKING**

U9 Boys & Girls	700m
U10, U11 Boys & Girls	1100m
U12 – U17 Boys & Girls	1500m

**DEFINITION:** Race Walking is a progression of steps so taken that the walker makes contact with the ground, so that no visible (to the human eye) loss of contact occurs. The advancing leg shall be straightened (i.e. not bent at the knee) from the moment of first contact with the ground until the vertical upright position.

**JUDGES:** For track events a maximum of six (6) judges plus the Chief Judge are required. The placement of the judges is up to the Chief Judge. As a rough guide – one on each bend and one down each straight, all evenly spaced.

The Station 2 Judge assists the Chief Judge at the start and the Station 1 Judge assists the Chief Judge at the finish. The best position to take up is just on the outside of the track and follow the action of the legs, noting the foot's landing position, it's swing and the leg from the time the leg supports the body.

**NB:** Avoid extreme rear judging as it is misleading. As a general rule Judges (except the Chief Judge) should restrict their judging area to 45° before and 15° after directly in front of them.

Judges should look for two points:

1. Failure of the athlete to maintain contact with the ground. This is referred to as "Contact".
2. Failure of the athlete to have a straight leg at first contact with the ground until in the vertical upright position. This is referred to as "Knees".

**Diagram 1** shows the leg to be extended straight in making contact with the ground. **This satisfies the rule.**

**Diagram 2** shows the foot of the supporting leg flat out on the ground. The supporting leg is not vertically upright, being bent at the knee. **This does not satisfy the rule, & therefore it is not permitted.**

**Diagram 3** shows both legs bent at the knee & they are never straight in any position, not even when the leg is supporting the whole weight of the body. **This does not satisfy the rule, & therefore it is not permitted.**

#### CAUTIONS:

A caution may be given to a competitor who by their actions is in danger of breaking the rules. A **Judge** can only caution a competitor **once** for being in danger of losing contact, and once being in danger of not having a straight leg at first contact with the ground until in a vertical upright position. A caution is given verbally, eg: "Caution 23, Knees".

#### REPORTS:

A report for disqualification is given by a **Judge** if the competitor is actually breaking the rules of Race Walking. A report is issued by the **Judge** calling out the competitor's number and telling the competitor they have been reported and what the infringement is. These reports are recorded on a pad and handed to the **Track Recorder** at the end of the race. The Track Recorder, upon receiving the Judge's reports, determines if there are any disqualifications and advises the **Chief Judge** of the race result. It is the **Chief Judge's** duty to inform an athlete of disqualification.

A judge can only report a competitor **once** for either contact or knees, eg: "Report 15, Contact". If a competitor does not hear the report this will not negate the report. Any competitor observed by a Judge running/jogging in a traditional manner shall be reported irrespective of where the judge is positioned relative to the competitor.

**NB:** Reports, not Cautions shall be given in the last 400m of a race.

#### DISQUALIFICATION:

A disqualification is brought about by the reporting of a competitor by;

- Any one Judge when three Judges (including the Chief Judge) are in use.
- Any two Judges when four Judges (including the Chief Judge) are in use.
- Any three Judges when five or more Judges (including the Chief Judge) are in use.

## INFORMATION FOR PARENTS ASSISTING

### STARTING

**STARTER'S MARSHAL:** The Starter's Marshal is in control of preparation of heats ready for Starter.

**DUTIES:** The Starter's Marshal's duties are as follows:

- Receive athletes from the marshalling area.
- Check athletes and age groups.
- Count children and decide size of heats e.g. (14 children - 1x6 & 2x4 or 2x5 & 1x4).
- Use ranking sheets to allocate athletes to heats as above.
  - a. Children should not select their own lanes - place at random or use lane draw sheets.
  - b. Competitors waiting should be well back from starting line.
  - c. The Starter controls all aspects of starting. Decisions must be fair and correct at all times.

#### STARTING PROCEDURES FOR RACES UP TO AND INCLUDING 400M:

- Ensure that you have liaison with the Chief Timekeeper.
- Obtain the "all clear" from the Chief Timekeeper prior to each event. When all is ready use the whistle which will bring the competitors to the assembly line, they are then under the sole control of the Starter.
- In a clear voice, the athletes are given the command "**On your marks**". They will respond by moving up to the line and adopting their starting stance.
- When the Starter is satisfied that each athlete has his/her fingers/toes behind, not on, the starting line and are steady, he will raise the gun to indicate to the Timekeepers that the start is imminent and in a softer tone issue the command "**Set**".
- When the athletes are completely motionless, the gun is fired. Approximately, 2 seconds should elapse between the command "set" and the firing of the gun:-
  - a. to enable athletes to reach peak concentration, and
  - b. to enable the Starter to be sure all motion has ceased.

#### STARTING PROCEDURES FOR RACES 800M, 1500M:

- As above except the command is "on your mark" then the gun when the athletes are steady.

#### FALSE STARTS:

- If a competitor leaves his mark with hand or foot after the words "on your marks" in the case of massed starts, or "set" in the case of laned starts as the case may be, and before the gun is fired, it is a false start. If more than one athlete takes off, the first one to leave the mark is the one deemed to have "broken". It is a natural instinct for others to follow. The athlete or athletes responsible must be cautioned.
- If an athlete moves off or leaves his/her mark simultaneously with the firing of the gun they have gained an unfair advantage and thus have "broken". This is the only situation where the recall gun (second shot) is used.
- Any competitor responsible for a false start shall be warned.
  - a. U7 - U10 age groups any competitor responsible for three false starts shall be disqualified.
  - b. U11 - U15 age groups any competitor responsible for two false starts shall be disqualified.
  - c. U16 & U17 age groups any competitor making a false start shall be warned. Only one false start per race shall be allowed without disqualification.

## **YEARLY AWARDS SELECTION CRITERIA**

### **B.L.A.C. INTER-CLUB CERTIFICATES & PENNANTS**

At the conclusion of each season certificates are awarded to each group (boys & girls) who achieve the highest number of overall points for their age and gender. Points awarded are those gained during normal Inter-Club competition. Points will be awarded to the first nine places in every event (i.e. 1st 10pts, 2nd 9pts, 3rd 8pts, 4th 7pts, 5th 6pts, 6th 5pts, 7th 4pts, 8th 3pts and 9th 2pts) and one point to each competing athlete thereafter. All points and rankings will be determined by computer.

The French Family Trophy will be awarded to the Club gaining the most points overall and the Joy Hardman Trophy will be awarded to the Club gaining the highest point score average per registered athlete. The club winning the Overall Points Trophy is **not eligible** to win the Handicap Trophy.

### **B.L.A.C. 100, 200, 300, 400, 500, 600 & 700 CLUB BADGE AWARDS**

The "100" Club badge is awarded to an athlete after competing in 100 events. This is a continuous award and points carry forward from one season to the next. One point is awarded for each event completed. After completing 100, 200, 300, 400, 500, 600 and 700 events respectively a Club Badge is awarded. These Club Badges are awarded once only to each athlete.

It is the responsibility of individual Clubs to keep a tally of their athlete's events. Clubs must nominate athletes on the appropriate signed form and submit it to the Centre Records and Ranking Officer. The Records and Ranking Officer will give the badges and names to the Arena Announcer for presentation during the normal weekly competition. Athletes must be in attendance to receive their badge. Events completed during Opening Day and Centre Championships do not count toward this award.

### **B.L.A.C. SPORTSPERSON OF THE YEAR AWARD**

This award is selected by the Mayor of Belmont from nominations submitted by each of the Clubs based on the following criteria:

- The Athletes nominated for this award are to be those who put in a consistent effort and show dedication to all aspects of Little Athletics without being the athletes who win events or excel regularly.
- It is expected that the nominees will be those children who don't win every week, but who still show a keen interest in attending both training and competition. They will exhibit a willingness to participate and be cheerful and dedicated to athletics, although they don't receive recognition in the form of trophies, medals, etc.

The Sportsperson of the Year Award aims to encourage these children to continue to enjoy participating for participation's sake and to recognise their commitments and dedication in continuing even if they don't achieve great results in competition. Only one nomination per Club may be submitted.

### **B.L.A.C. LIFE MEMBERSHIP**

Nominations and full resume must be forwarded from the respective Club to the Centre Executive at least one month prior to the Centre AGM and must be endorsed at a meeting of that Club. The nominee must have served a minimum of ten (10) years of service with at least four (4) years at Centre Executive level. Meritorious service will be a mandatory prerequisite.

### **B.L.A.C. ATHLETE AWARDS**

In recognition of dedication and commitment to Little Athletics, the Belmont Centre presents all athletes with an award at the conclusion of their sixth and ninth continuous year. To be nominated, recipients must be in their seventh or tenth season respectively. Awards are presented at the end of the season following qualification.

### **W.A.L.A. PARENT AWARDS**

Little Athletics Western Australian administers Three (3), Six (6), Ten (10) and Twenty (20) Year Parent Service Awards. These are issued at the end of three, six, ten or twenty full years of service respectively. B.L.A.C. receives nominations of eligible parents from affiliated Clubs. To be nominated, recipients must be in their fourth, seventh, eleventh or twenty-first season respectively. Awards are presented at the end of the season following qualification.

### **1500m INVITATIONAL**

The 1500m Invitational event is held in January each year. The event is open to all registered WALA athletes who have obtained a personal best for the 1500m event in the current season and have registered that personal best with the BLAC Records & Ranking Officer at least one week prior to the event. Athletes are assigned a handicapped start based on their PB.

### **CHRISTMAS GIFT**

The Christmas Gift was inaugurated in the 1997/98 season. This is a handicap sprint race run over 100 metres for scratch markers with all other runners being handicapped forward by the handicapper according to times run during the current season. The fastest athletes from each gender and age group are invited to participate in a series of heats culminating in the finals.
