OPENING MESSAGE FROM THE EXECUTIVE COMMITTEE

The Executive Committee would like to welcome all the athletes and parents taking part in what is Belmont Athletics Centre's 56th season.

If you are new to athletics, this book contains plenty of useful information about our sport and centre. If you can't find the information you are looking for then please ask your Club Manager.

Athletics is about family, fun, fitness, and doing your best. We have boys and girls of all ages and sporting abilities at our Centre, and by accepting these values we can all support the young athletes as they celebrate their success and encourage them to achieve their personal goals. One of the most rewarding sights is the way athletes respond as they are cheered and encouraged down the finishing straight. It is a great reminder of why we are all here and creates a great sense of community and belonging within our centre. At Belmont we encourage our athletes to always strive to improve their personal performance week in and week out during our Saturday competition.

At the same time we have a duty to coach and develop the athletes so that when they go to State events they understand the rules of the sport. These rules are backed up with the codes of conduct for athletes and parents published in this book. Please take the time to read and understand them.

As everyone involved with the centre, from the executive committee, to site officials and coaches are all volunteers, we ask that everyone remembers and respects that they are parents doing their best. Running the sites each week is not an easy role, however we are all here to support each other in providing the athletes with a safe, encouraging and fun environment. The officials deserve our respect, understanding and support. We encourage everyone to consider becoming an official, it is a great way to be close to the action, and without officials there is no Centre.

We would like to encourage everybody at Belmont to be their best, respect the people and property of the Centre and be conscious of promoting the enjoyment of Athletics for everyone.

Social athletics will be available to all athletes that have aged out of junior athletics, 17 years or older (yes this means parents as well if they want), but still wish to do athletics in a casual and fun atmosphere at Belmont.

I hope we can get some of our older athletes back to our centre for some fun, social athletics. See you all soon.

Welcome back to Belmont Athletics, or welcome for the first time. We wish everyone a successful and enjoyable season.

PLEASE NOTE:

In the interests of pedestrian safety, cars are not permitted inside the entrance gates. Only vehicles displaying a valid ACROD permit may use the designated disabled parking zone. Please be aware of athletes while entering and leaving the car-park.

We would also like to remind all members that skateboards, scooters, roller-blades and roller-skates are prohibited from use anywhere within the arena or car park for the safety of all members.

**GERRY ARCHER ATHLETICS TRACK**
IS A SMOKE-FREE VENUE

Smoking & Vaping is not permitted anywhere within the arena or within 40m of any entry/exit gates during competition days, Centre training or any other Belmont function or activity. Smoking and Vaping can take place in the designated area marked for that purpose.
All venues and events are also alcohol-free.

BILL OF RIGHTS FOR YOUNG ATHLETES

Young athletes have the right to:

- Participate in sport regardless of ability level.
- Proper preparation for participation in the sport.
- Have qualified leadership.
- An equal opportunity to strive for success.
- Participate in a safe and healthy environment.
- Be treated with dignity by all involved.
- Participate as a child and not as an adult.
- Have fun through sport.

PARENTS CODE OF CONDUCT

Parents should:

- Not force an unwilling child to participate in sport.
- Remember that children participate for their own enjoyment, not yours.
- Encourage your child to abide by the rules.
- Teach your child that honest effort is as important as victory, so that the result of each event is accepted without undue disappointment.
- Turn defeat into victory by helping your child towards skill improvement and good sportsmanship. Never ridicule or yell at your child for making a mistake or losing in an event.
- Remember that children learn best by example. Applaud good performances by your own child and by other athletes.
- Not publicly question the official's judgement, and never their honesty.
- Support all efforts to remove verbal and physical abuse from children's sporting activities.
- Recognise the value and importance of volunteer coaches. They give their time and resources to provide recreation activities for your child.

GENERAL RULES OF THE BELMONT ATHLETICS CENTRE

Smoking and Vaping can take place in the designated area marked for that purpose. All venues and events are also alcohol-free.

RULES FOR COMPETITION

1. All athletes must be registered with a Club affiliated with Belmont Athletics Centre.
2. All competitors must wear correct Club uniform with their Registration Number securely fastened to the front of their shirt. No logos or insignias bigger than 7cm x 5cm are allowed on uniform bottoms. As per Athletics West rules, compression pants may be worn under shorts **only** if they are plain black and finish above the knee.
3. Fully enclosed footwear is compulsory for all athletes whilst they are competing on any surface at the Belmont Centre.
4. A competitor may leave a Field event once given permission by the Field Key Official to compete in a track event. On returning to the Field event he or she must resume at the stage the event has reached in their absence.
5. On completion of a Track event athletes must report firstly to the Track Marshalls and then to the Track Recorders to record their results. Once the athlete's result has been recorded they are to return to their Club area.
6. On completion of Field events athletes are to return immediately to their Club area.
7. Protests are to be presented by Club Managers in writing on an official protest form to the Arena Manager and must be accompanied by the appropriate fee (\$50). The money will be forfeited should the complaint prove frivolous. A Protest Committee will deal with the complaint on the day.
8. Any misbehaviour by a competitor may result in a suspension for a period to be decided by the Executive Committee on the day.
9. (a) Unless competing in an event or acting as an official, no one except for Belmont executive, Belmont committee members and the rostered first aider shall be allowed onto the arena or sites whilst events are being conducted. Failure to observe this rule may result in penalties to the Club or the offender. Any penalty is to be decided by the Executive Committee on the day, after completion of the day's program.
(b) When signed on and acting as an official, you shall only be allowed on the designated site you are signed on to officiate at.
10. Athletes & Site Officials must at all times walk around the Track and not across the centre of the Arena.
11. Each affiliated Club will be required to supply officials for each competition day. The number of officials required from each club is calculated on a pro-rata basis, comparing number of athletes within the Club to number of athletes in the Centre as a whole. Officials are to report to the Officials Coordinator where they will sign on and select a site to help at.
12. Spikes:
 - Competitors in the U7-U11 age group may not wear spike shoes.
 - Competitors in the U12-U13 age group may wear spike shoes in events run entirely in lanes, long jump and triple jump, high jump and javelin.

14. Complaints on the day will be referred (via your Club Manager through the Arena Manager) to the following:
 - Track events - CHIEF TRACK UMPIRE
 - Field events - CHIEF FIELD UMPIRE
15. Rules of competition are normally as per World Athletics rules, but modifications may be made for Centre competition.
16. All athletes must at all times have a parent or guardian present. Athletes will be excluded from competition if they do not have a parent or guardian present.

RED CARDS

Red Cards are issued to athletes for breaches of Belmont Athletics Centre Rules, particularly *General Rule 1: Behaviour of Children*, and *Rule for Competition 8*, pertaining to misbehaviour and suspension. The site Key Official will give an offending athlete one verbal warning only; a second offence shall result in the issue of a red card. The athlete will be asked to leave the site immediately and report to the Arena Manager. Any points from the site shall be forfeited for the day of the offence.

If an athlete receives a second Red Card on the same day, then the athlete will not be permitted to compete in any further events for that day. Additionally, all points for **all events** earned on the day of the offences shall be forfeited. Any offence may also be investigated and dealt with by the Centre Executive Committee and be subject to further disciplinary action.

RULES FOR BELMONT CENTRE CHAMPIONSHIPS

1. To be eligible for Centre Championships, athletes must have competed in an event at least **three (3) times** at the weekly Inter Club competition.

Exceptions to this rule:

- a. In the case of illness or injury during the season which prevents the athlete from competing. Athletes are required to submit a doctor's certificate to their Club Managers, who then must provide this to the Records & Ranking Officer no later than 4 weeks prior to the scheduled Centre Championship dates. Should the illness or injury take place within the 4 weeks prior to Centre Championships, a Doctor's certificate must be provided as soon as practical, to allow as much notice as possible for the Executive Committee to make a decision. Documents received outside of this time frame or on the day(s) of Centre Championships will not be accepted. Documents **MUST** include dates when the injury or illness occurred and a time frame indicating how long the athlete cannot participate for. Such documents **MUST** be from an independent consultant. The Executive Committee will then determine if the athlete is eligible to compete.
- b. If an athlete commences later in the season.
 - i. Commencement is defined as the date and time at which the athlete is registered with Belmont Athletics Centre.
 - ii. The athlete must compete in the nominated event each time it is held in the remaining weekly Inter Club competitions after commencing.
 - iii. The athlete must be registered no later than four weeks prior to the start of Centre Championships.
2. If an athlete transfers from another Athletics Centre they must produce evidence that they have competed in the nominated event such that the total number of times they have competed in that event at both centres totals three or more. The evidence must be such that it is able to be verified by the previous Athletics Centre and is subject to approval by the Executive Committee. Any athlete transferring from another Centre, whether it be Perth Metro/Country or Interstate must also be registered with Belmont Athletics Centre no later than four weeks prior to the start of Centre Championships.
3. All competitors must report to the marshalling area prior to the commencement of any event. If there is a genuine reason for an athlete being late, this must be reported to the Arena Manager by the Club Manager only.
4. Under 7 to Under 11 Athletes will have only three trials at all field events (except High Jump). Under 12 to Under 18 Athletes will have three trials at all field events (except High Jump) and the leading eight competitors in the event at the completion of the third round will then have a further one trial.
5. The starting height shall be 15cm below the state starting height. The normal Belmont LAC High jump rules still apply as athletes may only join the competition at 20cms below their personal best, whichever is applicable first.
6. Placings in all track events will be determined by timed heats.
7. All protests must be reported through the Club Manager and are to be lodged with the Championship and Special Events Coordinator within 20 minutes of the completion of the event with the appropriate fee (\$50).
8. The rules for competition at Centre Championships shall be those outlined in Athletics West's Rules for Competition of State Run Events. These rules may be amended or updated by Athletics West without notice or consultation.
9. An athlete's participation in the Centre Championships signifies that athlete's acceptance of the rules and conditions as set out by Belmont Athletics Centre and the Executive Committee.
10. Any circumstance not covered by the rules and conditions defined herein shall be dealt with by the Executive Committee on a case-by-case basis.

SUNSMART POLICY

Participant's health is a primary concern of Belmont Athletic Centre. It is acknowledged that skin cancer is a major, yet preventable public health problem in Australia, with two out of every three people requiring treatment for some form of skin cancer in their lifetime.

A preventative strategy including the following will be implemented in the Centre.

- Wherever possible, programs will be scheduled to minimise ultraviolet radiation exposure of participants.
- The Centre will maximise use of natural shade from trees, buildings, and other structures including portable canopies or shade shelters.
- The Centre will promote personal protection including hats & long-sleeve shirts.
- Broad spectrum sunscreen will be made available for any that need it.

Unfavourable Weather Conditions

In the week prior to the scheduled competition, the Arena Manager will monitor the forecast weather conditions, to determine the effect it may have on the proposed program. If extreme weather conditions are forecast, the following strategies will be followed: All decisions will be made by the Arena Manager, Chief Track Umpire, Chief Field Umpire and President of Belmont Athletics Centre.

Hot weather:

For morning competition: if the temperature reaches 38°C, the current status of the program will be examined before deciding if the program should be cancelled or conducted in a modified format.

For twilight competition: if the temperature is forecast to be in excess of 38°C at the scheduled start time of setup/competition then the Arena Manager, Executive and President of Belmont Athletics Centre will make a decision as to whether to delay the start of setup/competition until the temperature is forecast to fall below 38°C, by pushing the start time back by 1 hour or if the program should be cancelled or conducted in a modified format.

Inclement weather:

Where rain, wind, or lightning may affect the safety of athletes competing, a decision will be made as to whether the program should be cancelled, or conducted in a modified format.

Recovery Strategy

The following initiatives shall be implemented when severe weather affects competitions:

- Only conduct events that ensure the safety of athletes and officials is protected at all times.
- Where appropriate, reschedule cancelled events to a later date.
- Where a modified program is run and events are cancelled, athletes who have signed on will be awarded participation points so they are not disadvantaged in qualifying for Centre Championships.

A modified format may include but is not limited to a split day or make up day however this decision will be made by the executive committee on a case by case basis. **Note:** All Clubs will be notified at the earliest possible opportunity on competition day if any changes need to be made to the start time.

Cancelled Events – Circumstances out of our Control ie: Covid 19

In the event that a scheduled competition on the Belmont calendar is cancelled due to circumstances out of our control, the following steps will be taken:

- The competition will be rescheduled to a different day if there is a spare day available on the current season's calendar. If this can occur the BAC executive committee will advise the new date, giving as much notice as possible.
- If the competition is not able to be rescheduled, all athletes will receive their PB result for each event which will be taken from when they last did the event during the current season. If the athlete has not participated in an event prior to the cancellation they will receive a participation point for each of those events.

HEALTH & INJURY

During an Athletics competition, athletes should always be in possession of a hat, wear a shirt to cover their shoulders when not competing, use an effective sun screen, and frequently drink plenty of fluids in small quantities, preferably water. Take special care of children in the hot summer sun.

If an athlete is sick or injured, experiencing pain or swelling, **do not allow them to compete**. If an athlete is unable to compete parents should provide their Club Manager with a medical certificate, which will prevent the child being disadvantaged during qualification for Centre Championships. (See Centre Championships rules for more info) If your child has been issued a medical certificate that covers the date of any competition, they should not compete as they may not be covered by insurance.

The immediate treatment for a soft tissue injury is **R.I.C.E.**

R	est
I	ce
C	ompression
E	levation

If you have any doubts about the injury whatsoever, a doctor's advice should be sought immediately. If an athlete falls during an event, do not pick them up until the cause of the injury has been determined. In particular, do not move any athlete who is experiencing back pain or numbness in the limbs. All injuries sustained at any Athletics venue, either in training or competition, must be reported to your Club Manager immediately.

FIRST AID POLICY

- The First Aid Officer must hold a current Senior First Aid or Apply First Aid Certificate, a copy of which must be held at the Centre.
- Where possible, a parent or guardian must be present when a child requires first aid treatment.
- If a parent overrides the First Aid Officer, the parent is then responsible for removing the athlete to a doctor straight away.
- Serious injuries (eg: being impaled by a javelin; hit on the head by an implement; leg or back injury) are to be treated on site until the ambulance arrives. ***Athletes should not be moved.***
- Parents are to be advised by the First Aid Officer that all injuries requiring more than a simple dressing are to be seen by their own doctor.
- All injuries must be reported to the rostered first aid officer so that they can be documented. Failure to report an injury may mean that an athlete, parent or Official is not covered by insurance.
- First Aid is for injuries sustained by athletes and parents during competition only. The First Aid Officer will not tape limbs or joints so that athletes can compete.

If you are injured – PLEASE DO NOT COMPETE.

EVENT RULES

Although not always the case, event rules generally follow the World Athletics rules. These rules may have been modified either for Athletics generally, or for local Centre competition. If in doubt you should consult your Club Manager, who can query the Arena Manager. The Arena Manager's decision in any dispute regarding the rules is final. The following notes give the major rules for each event - they may not cover all situations.

GENERAL NOTE

No athlete may commence any trial, in any event, until the official has given permission to do so. Safety rules must be observed at all times.

TIE-BREAKING RULES

In Field Events where the result is determined by distance, the second best performance of the competitors tying shall resolve the tie, then (if necessary) the third best and so on.

FIELD SITES

The **KEY SITE OFFICIAL** is responsible for ensuring that the correct equipment is on that site, and that shade tents, if required, are erected prior to the commencement of the program. The **Centre Record** is to be marked out prior to the commencement of each event. After completion of competition for that site officials are to assist by dismantling shade tents and ensuring that the equipment is ready to be returned to the equipment shed.

HIGH JUMP

Note: This is intended as a guide only

BOYS & GIRLS	U10-U11 Scissor Kick	U12-U18
Bar rises*	6 x 5cm	6 x 5cm
Thereafter	2cm	2cm

Starting Height: 5cm below the lowest recorded personal best of all *competing* athletes

* Athletics West recommend the bar be raised by 5cm increments until there are 6 or fewer competitors remaining.

RECORDING: For recording purposes, an **O** indicates the bar has been cleared, an **X** indicates a failure, and a **– (dash)** indicates the athlete chose to pass (did not attempt that jump).

INSTRUCTIONS TO COMPETITORS:

- Starting height is given, plus increments to be used during competition.
- May commence jumping at a height closest to 20cm below their registered Personal Best height.
Note: For Centre Championships, the starting height shall be 15cm below the state starting height. The normal Belmont LAC High jump rules still apply as athletes may only join the competition at 20cms below their personal best, whichever is applicable first.
- May pass on any height or any jump. If a competitor forgoes a trial at a certain height, they may not make any subsequent attempts at that height.
- Markers may be used as long as they are safe (i.e. flat) and they do not interfere with another athlete's run-up.
- An attempt must be completed within 60 seconds.
- Each competitor is allowed three attempts at each height, but is out of the competition after three consecutive failures are recorded regardless of height.

The Scissor technique will be the only allowable technique performed in High Jump for the U10 and U11 age groups at all levels of competition.

It shall be a valid scissor jump if all other relevant high jump rules are adhered to, and:

- a. The head of the athlete does not go over the bar before the leading foot (the foot of the leg closest to the bar at take-off);
 - b. The head of the athlete is not below the buttocks when the buttocks clear the bar, and
 - c. The athlete's lead foot touches the mat before any other part of the body.
- All athletes in the U12 and above age groups will have the option to use any legal jumping technique.

An invalid jump includes:

- a. The athlete takes off with two feet.
- b. After the jump, the bar does not remain on the support because of the action of the athlete whilst jumping.

Note: If the athlete has left the landing area and the bar falls, it is deemed an invalid jump if the athlete was responsible for the dislodgement.

- c. The athlete touches the ground including the landing area beyond the plane of the nearer edge of the crossbar, either between or outside the uprights with any part of the body, without first clearing the bar.
- d. Athlete touches the cross bar or the vertical section of the uprights when running up without jumping.

Note: On windy days the bar may be held in position by officials, but support must be removed when the athlete takes off to allow displacement. It is also helpful to set up the high jump side-on to the oncoming wind.

When one competitor is left, he/she may choose their own increments. He/she may be allowed to continue until he/she has recorded three failures and the last height cleared be recorded as the winning height.

MEASUREMENTS:

- All measurements shall be made in whole centimetres perpendicularly from the ground to the lowest point of the upper side of the bar.
- Precise measurement shall be made when the bar is raised to a new height and before the first competitor attempts such a height. In all cases of records the Chief Field Umpire shall check the measurement when the bar is placed at the record height and they shall re-check the measurement before subsequent record attempt if the bar has been touched since measured.
- When the measurement is rechecked after a successful jump and the bar is not at the record height, the record will not be allowed.

Note: Measure ends of bar first then the middle. Adjust ends so that the lowest part is in middle.

Note: Judges should ensure, before starting the competition, the underside and front of the crossbar are distinguishable, as the bar is always replaced with the same surface upper and the same surface to the front.

SET UP:

- Supports for the crossbar each face the opposite upright so that if a competitor touches the crossbar it will easily fall to the ground, either forwards or backwards
- There shall be a space of at least 1cm between the ends of the crossbar and the uprights.
- The crossbar must be replaced with the same surface up and the same surface to the front.
- The uprights and landing area should be setup so that there is at least 10cm between them when in use to avoid the displacement of the crossbar through the movement of the landing area causing contact with the uprights.

TIE - BREAKING RULES:

- The competitor with the lowest number of jumps at the height where the tie occurs shall be awarded the higher place.
- If the tie still remains, the competitor with the lowest number of failures throughout the competition up to and including the height last cleared shall be awarded the higher place.
- If the tie still remains the result will be an equal placing. No jump off takes place.

LONG JUMP AND TRIPLE JUMP

SITE OFFICIALS

Take-off Area

- U7-U9: A 1.00m x 1.22m mat covered with chalk where the foot imprint can be observed.
- U10-U11: A 0.5m x 1.22m mat covered with chalk where the foot imprint can be observed.
- U12-U18: A 0.2m x 1.22m strip.
- For the U7-U9 age groups the 1.22m x 1.00m take-off mat shall be placed with the front edge 200mm from the commencement of the landing area.
- For the U10-U11 age group the 0.5 m x 1.22m take-off mat shall be placed with the leading edge 500mm from the landing area.
- For the U12-U18 age groups:
- The distance between the take-off board and the far end of the landing area should be at least 10.00m.
- The take-off board shall be placed between 1m and 2m from the nearer end of the landing area for U12 – U15's and shall be set at 2m from the leading edge for U16 – U18 age groups.

RUNWAY:

Where possible, the runway should be at least 40m. The athlete's run-up can be of any length, but should be restricted to avoid wasting time.

MARKERS:

Markers are not permitted on the runway, but can be used at the side.

Failure

In the Long Jump and the Triple Jump, it shall be counted as a failure if:

- Any part of the mark made by the athlete's take-off foot protrudes over the front edge of the take-off area.
- If an athlete takes off before reaching the take-off area it shall not, for that reason, be counted as a failure.
- In the course of landing, the athlete touches the ground outside the landing area nearer to the take-off than the nearest break in the landing area made by the jump.
- When leaving the landing area, an athlete's first contact with the border or ground outside is nearer the take-off line than the nearest break in the sand made on landing.
- After landing, the athlete walks back through the landing area without first correctly exiting the pit.
- An athlete takes off from outside either end of the take-off area, whether beyond or before the extension take-off line.
- Any sort of somersaulting is used.

Distance Measurement

For U7-U11 athletes:

- Where any part of the athlete's foot lands on the take-off area, the jump will be measured as the shortest distance from the nearest break in the landing area made by any part of the body or limbs to the imprint made in the take-off area by the take-off foot.
- Where no part of the athlete's foot lands in the take-off area, the jump will be measured from the nearest break in the landing area made by any part of the body or limbs to the edge of the take-off area furthest from the landing area, or its extension. The measurement must be taken perpendicular to the back of the mat or its extension.

For U12-U18 athletes:

- The jump shall be measured as the shortest distance from the nearest break in the landing area made by any part of the body or limbs to the front edge of the take-off area.
- The measurement must be taken perpendicular to the take-off area or its extension.

Triple Jump

- The Triple Jump shall consist of a hop, a step and a jump in that order.
- The hop shall be made so that an athlete lands first on the same foot as that from which they have taken off; in the step the athlete shall land on the other foot, from which, subsequently, the jump is performed.
- It shall not be considered a failure if an athlete, while jumping, touches the ground with the 'sleeping' leg.
- The take-off line shall be in whole metre increments from the edge of the pit.

Failure

In the Triple Jump, it shall be counted as a failure if:

- Any of the infringements listed for Long Jump occur
- The competitor fails to follow the actions of the triple jump as defined above.
- The competitor fails to land in the pit. (Landing on the run-up constitutes a foul.)

THROWING EVENTS

In throwing events from a circle:

- An athlete must commence the throw from a stationary position.
- The athlete is allowed to touch the inside of the iron band of the circle or stop board.
- It shall be a failure if the athlete, after entering the circle and commencing to make a throw, touches with any part of the body the top of the circle or the ground outside, or improperly releases the implement in making the attempt.
- It shall be a failure if the athlete leaves the circle or runway before the implement has touched the ground.
- It shall be a failure if, when leaving the circle, the athlete's first contact with the top of the rim or the ground outside the circle is not completely behind the back half of the circle.

Interruption of a Trial

It is not a failure if an athlete drops an implement and it does not touch the ground outside the throwing circle or runway, provided no other rule is breached. The athlete can retrieve the implement and continue the trial within the allocated time.

If the implement touches the ground outside the circle or runway it becomes a failure.

Measurements

- The measurement of each throw will be made from the nearest mark made by the fall of the implement to the inside of the circumference of the circle, along a line from the mark to the centre of the circle.
- For a valid trial, the implement must fall completely within the inner edges of the landing sector.
- In Javelin, the measurement of each throw will be made from where the tip of the javelin first struck the ground, to the inside edge of the arc, with the tape being pulled through the point 8m back on the run-up, that being the centre of the circle of which the arc is a part.

Recording

For recording purposes, an **O** indicates a successful attempt, an **X** indicates a failure, and a – (dash) indicates the athlete chose to pass (did not attempt that throw.)

AFTER EACH THROW, IMPLEMENTS SHALL BE CARRIED BACK TO THE AREA NEXT TO THE CIRCLE OR RUNWAY AND NEVER THROWN BACK.

- The javelin shall be held at the grip with one hand only. It shall be thrown over the shoulder or upper part of the throwing arm and shall not be slung or hurled. Nonorthodox styles are not permitted.
 - A throw shall be valid only if the metal head strikes the ground before any other part of the javelin. The javelin is not required to stick in the ground.
 - For a valid throw, the tip of the javelin must fall completely within the inner edges of the landing sector.
 - It shall be a failure if the athlete, after starting their throw, touches with any part of their body or limbs, the lines marking the runway, the ground outside the runway, or crosses the throwing arc marking the end of the runway.
 - It is not a failure if the end of the javelin touches the ground during the run up.
 - If the javelin breaks during a throw or while in the air, it shall not count as a failure, provided the trial was otherwise made in accordance with the rules. Nor shall it count as a failure if an athlete thereby loses their balance and as a result contravenes any part of the rule. In these cases, the athlete shall be awarded a new trial.
 - At no time during the throw, until the javelin has been discharged into the air, may the athlete turn completely around, so that their back is towards the throwing arc.
 - It shall be a failure if the athlete leaves the runway before the implement has touched the ground, or if, when leaving the runway, the athlete's first contact with the parallel lines or the ground outside the runway is not completely behind the white lines of the arc or the lines drawn from the extremities of the arc at right angles to the parallel lines.

RACE WALKING

U10 Boys & Girls	700m
U11, U12 Boys & Girls	1100m
U13 – U18 Boys & Girls	1500m

Race walking is a progression of steps so taken that the walker makes contact with the ground, so that no visible (to the human eye) loss of contact occurs. The advancing leg shall be straightened (i.e. not bent at the knee) from the moment of first contact with the ground until the vertical upright position. The advancing foot of the walker must make contact with the ground before the rear foot leaves the ground.

Judging

All judges shall act in an individual capacity and their judgements shall only be based on observations by the human eye.

The number of appointed walk judges for an event, including the Chief, shall comprise a minimum of 4 and maximum of 6.

Caution (Yellow Paddle)

Any judge can give a "Yellow Paddle" to a competitor when a competitor appears to be in danger of failing to comply with the rules (definition of race walking). Cautions are issued verbally and briefly taking care that remarks do not constitute coaching.

All remarks should be loud and clear and always in the form: e.g. "CAUTION No..... contact or knees"

For loss of contact ~ a wavy line in black on a yellow background

For knees a 45° angle < also in black on a yellow background shall be used

A judge can only caution a competitor once for each offence during the event

A caution has no bearing on disqualification. It is possible to be cautioned by every judge in the race yet not receive a single warning. This advice is only to indicate to a competitor that their action is deteriorating to a dangerous state.

Red Card

A judge gives a "Red Card" for disqualification if a competitor is actually breaking the rules of race walking.

For the U13 and above age groups, no verbal Red Card will be given. For other age groups, the Red Card will be given verbally at the time of detection of the actual infringement

All remarks should be loud and clear and always in the form: e.g. "Red Card No..... contact or knees"

Red Card is recorded on the judging pad and forwarded to the Chief Judge as soon as practicable.

A judge may only give a competitor one Red Card during the event irrespective of the infringement.

If a judge, in an event requiring verbal Red Cards to be given, is not sure a competitor has heard the "Red Card" the Judge should repeat it at the next suitable opportunity.

A Red Card should never be given unless there is absolute certainty the rules have been infringed.

Any doubt existing must be given to the competitor and the Red Card not issued.

Disqualification

A Red Card by 3 or more walk judges or notification by the grand stand judge that in their opinion a competitor's mode of progression failed to comply with the definition of race walking brings about a disqualification.

Only the Chief Judge may advise a competitor of their disqualification.

Walks Results

Athletes will be given the results of their walk event on the day of the race. The Chief walks judge will meet athletes who wish to know their result in front of the clubrooms approx. 20 mins after all walk events have concluded. Their result will be explained and any feedback relayed. Alternatively, results will be available through Results HQ as per other events, any disqualification information (why an athlete was disqualified) will also be provided to the clubs via email during the week, enabling clubs to help address any technique issues.

After finishing their walks event, athletes can move back to the stands, once given the ok to by an official.

Methods of Judging

Prior to each walking event, the Chief Judge or a judge appointed by the Chief Judge, will acquaint the competitors with the judging procedures for the event.

It is imperative that during an event all judges act in an individual capacity and their judging is not influenced by the judging of another judge, per medium of conversation or messages.

The Chief Judge shall allocate judges their judging position.

The judges must adequately cover the whole of the track/course, this can be done by having approximately equal distance between judges. There should be no blind spots, judges should judge from the outside of the track/course and not encroach on an area allocated to another judge, but judge from their allotted position as walkers are passing or approaching their section.

Note: If an athlete or athletes are showing disrespect for the event, an athlete may be removed from the race via consultation between the chief track umpire and the chief walks judge and given a warning about their conduct. If multiple offences occur, the athlete(s) may be prohibited from further participation in the walks event for the remainder of the season.

The Station 2 Judge assists the Chief Judge at the start and the Station 1 Judge assists the Chief Judge at the finish. The best position to take up is just on the outside of the track and follow the action of the legs, noting the foot's landing position, its swing and the leg from the time the leg supports the body.

NB: Avoid extreme rear judging as it is misleading. As a general rule Judges (except the Chief Judge) should restrict their judging area to 45° before and 15° after directly in front of them.

Diagram 1 shows the leg to be extended straight in making contact with the ground. **This satisfies the rule.**

Diagram 2 shows the foot of the supporting leg flat out on the ground. The supporting leg is not vertically upright, being bent at the knee. **This does not satisfy the rule, & therefore it is not permitted.**

Diagram 3 shows both legs bent at the knee & they are never straight in any position, not even when the leg is supporting the whole weight of the body. **This does not satisfy the rule, & therefore it is not permitted.**

INFORMATION FOR PARENTS ASSISTING STARTING

STARTER'S MARSHALL: The Starter's Marshall is in control of preparation of heats ready for Starter.

DUTIES: The Starter's Marshall's duties are as follows:

- Receive athletes from the marshalling area.
- Check athletes and age groups.
- Count children and decide size of heats e.g. (14 children - 1x6 & 2x4 or 2x5 & 1x4).
- Use ranking sheets to allocate athletes to heats as above.
 - a. Children should not select their own lanes - place at random or use lane draw sheets.
 - b. Competitors waiting should be well back from starting line.
 - c. The Starter controls all aspects of starting. Decisions must be fair and correct at all times.

STARTING PROCEDURES FOR RACES UP TO AND INCLUDING 400M:

- Ensure that you have liaison with the Chief Timekeeper.
- Obtain the "all clear" from the Chief Timekeeper prior to each event. When all is ready use the whistle which will bring the competitors to the assembly line, they are then under the sole control of the Starter.
- In a clear voice, the athletes are given the command "**On your marks**". They will respond by moving up to the line and adopting their starting stance.
- When the Starter is satisfied that each athlete has his/her fingers/toes behind, not on, the starting line and are steady, he will raise the gun to indicate to the Timekeepers that the start is imminent and in a softer tone issue the command "**Set**".
- When the athletes are completely motionless, the gun is fired.

STARTING PROCEDURES FOR RACES 800M, 1500M:

- As above except the command is "on your mark" then the gun when the athletes are steady.

FALSE STARTS:

- If a competitor leaves his mark with hand or foot after the words "on your marks" in the case of massed starts, or "set" in the case of laned starts as the case may be, and before the gun is fired, it is a false start. If more than one athlete takes off, the first one to leave the mark is the one deemed to have "broken". It is a natural instinct for others to follow. The athlete or athletes responsible must be cautioned.
- If, in the opinion of the starter or assistant starter there has been an unfair start, the race shall be re-called by the firing of a second gun.
- Any athlete who commits a false start shall be warned, as follows:

a. U7 – U9 age groups

Any individual athlete in each heat, shall be allowed a maximum of TWO (2) false starts without disqualification. Any individual athlete responsible for more than TWO (2) false starts shall be disqualified.

b. U10 - U14 age groups

A maximum of **TWO (2)** false starts per race shall be allowed without disqualification, regardless of which athlete is responsible. Any athlete responsible for a subsequent false start shall be disqualified.

c. U15 – U18 age groups

A maximum of **ONE** false start per race shall be allowed without disqualification, regardless of which athlete is responsible. Any athlete responsible for a subsequent false start shall be disqualified.

Starting blocks may be used by athletes in the U12 and above age groups for all races up to and including the 400 metres (including the first leg of all relays).

YEARLY AWARDS SELECTION CRITERIA

Belmont INTER-CLUB PENNANTS

At the conclusion of each season, each age group will have an individual Champion and Runner Up awarded for each gender. Points awarded are those gained during normal Inter-Club competition. Points will be awarded based on performance and proximity to records. All points and rankings will be determined by computer.

The French Family Trophy will be awarded to the Club gaining the most points overall and the Joy Hardman Trophy will be awarded to the Club gaining the highest point score average per registered athlete.

Belmont 100, 200, 300, 400, 500, 600 & 700 CLUB BADGE AWARDS

The “100” Club badge is awarded to an athlete after competing in 100 events. This is a continuous award and points carry forward from one season to the next. One point is awarded for each event completed at regular Belmont meets. After completing 100, 200, 300, 400, 500, 600 and 700 events respectively a Club Badge is awarded. These Club Badges are awarded once only to each athlete.

It is the responsibility of individual Clubs to keep a tally of their athletes' events. Clubs must nominate athletes on the appropriate signed form and submit it to the Centre Records and Ranking Officer. The Records and Ranking Officer will give the badges and names to the Arena Announcer for presentation during the normal weekly competition. Athletes must be in attendance to receive their badge. Events completed during Centre Championships do not count toward this award.

Belmont SPORTSPERSON OF THE YEAR AWARD

This award is selected by the Mayor of Belmont from nominations submitted by each of the Clubs based on the following criteria:

- The Athletes nominated for this award are to be those who put in a consistent effort and show dedication to all aspects of Athletics without being the athletes who win events or excel regularly.
- It is expected that the nominees will be those children who don't win every week, but who still show a keen interest in attending both training and competition. They will exhibit a willingness to participate and be cheerful and dedicated to athletics, although they don't receive recognition in the form of trophies, medals, etc.

The Sportsperson of the Year Award aims to encourage these children to continue to enjoy participating for participation's sake and to recognise their commitments and dedication in continuing even if they don't achieve great results in competition. Only one nomination per Club may be submitted.

Belmont LIFE MEMBERSHIP

Nominations and full resume must be forwarded from the respective Club to the Centre Executive at least one month prior to the Centre AGM and must be endorsed at a meeting of that Club. COMPETITION DAYS

SIGNING ON

The site roster is located under the veranda behind the announcer's table. To reduce starting delays and to increase your chances of signing onto your site of choice, Officials and Assistants are required to sign on at least 15 minutes before the official start time.

ATHLETE SIGN ON SHEETS will also be posted on the tables outside the clubrooms – all athletes to tick off their names as they arrive. This will assist in the smooth running of the program, allowing the Arena Manager and the Announcer to adjust events according to the number of athletes present.

SETUP & PACK AWAY

The club rostered to set up will be required to arrive **one hour before** the start of the program to put out equipment (including shade tents, timing gates and all site equipment etc). Please report to the Equipment Officer on arrival at the equipment shed.

Pack away club will be required to remain after competition is finished to assist in putting away equipment and generally clean up the grounds.

ALL CLUBS are responsible for cleaning up **THEIR OWN** club area each week. Setup and pack away refers to (but not limited to) the following:

- Placing and removing rubbish bins in club areas.
- Sweep out the toilet blocks and empty rubbish bins (Pack Away)
- Sweeping the First Aid room and veranda. (Pack Away)
- Set up and put away tables for the Announcer and Officials Coordinator.
- Set up and put away chairs for the timekeepers and recorders.
- Set up and put away site material & equipment.
- Take rubbish from outside canteen and place in bins

CANTEEN

Clubs will be required to supply 2 canteen helpers on their rostered days. Canteen helpers will be required to assist the Canteen Manager with serving customers, taking orders, cash handling and calculating change. Canteen helpers must be over 16 years of age for insurance reasons.

The canteen is not a thoroughfare. Only rostered canteen helpers are to enter the canteen.

FUNDRAISING

Clubs can conduct fundraising activities during competition meets on their rostered days, in accordance with Belmont's fundraising policy. A copy of the policy can be obtained from our website. Clubs **MUST** inform the canteen at **least one week** prior to their fundraising day if their fundraising will involve selling **ANY** food. The canteen is to be informed of the type of food and quantity that clubs wish to sell on the day so the canteen can cater accordingly to reduce wastage. Clubs are to provide their own float, utensils, gas bottle etc (anything they may require to run a successful stall.) Belmont's BBQ can be borrowed by clubs upon request.
